TECHNICAL INFORMATION OF PRESSURE GAUGE .....	3
INSTRUCTIONS OF PRESSURE GAUGE .....	5
COMBINATION FOR PRESSURE INSTRUMENTS.....	7
<b>ANALOG PRESSURE GAUGES</b>	
All Stainless Steel Pressure Gauges .....	111 series ..... 8
Stainless Steel Sase Pressure Gauges .....	112 series ..... 10
General Pressure Gauges .....	113 series ..... 12
All Stainless Steel Capsule Pressure Gauges.....	121 series..... 14
General Capsule Pressure Gauges.....	123 series..... 15
Phenol Turret Case Pressure Gauges.....	131 series..... 16
Use No Oil Pressure Gauges.....	141 series..... 17
Freon (refrigerant) Pressure Gauges.....	151 & 152 series ..... 18
Small Pressure Gauges .....	161 to 164 series..... 19
Fire Extinguisher Pressure Gauges.....	165 series..... 20
<b>DIGITAL LCD PRESSURE GAUGES</b>	
Multi-function 3".....	DPG-V3.0 series ..... 21
Multi-function 2.5" .....	DPG-M2.5 series..... 22
Simple function 2.5" .....	DPG-S2.5 series ..... 23
<b>PRESSURE TRANSMITTERS</b> .....	DPT series..... 24
<b>DIFFERENTIAL PRESSURE GAUGES</b>	
Bellows Type .....	171 series..... 25
Magnetic Piston Type.....	172 series..... 26
Diaphragm + Bellows Type .....	173 series..... 27
Diaphragm Type.....	174 series..... 28
Bourdon Tubes Type.....	175 series..... 29
<b>DIAPHRAGM PRESSURE GAUGES</b>	
Threaded Connection — Welded one-piece type.....	DS170 series..... 30
Threaded Connection — Plastic material .....	DS180 series..... 31
Threaded Connection .....	DS190 series..... 32
Flange Connection — Double flange Type (I Shape) .....	DS200 series..... 33
Flange Connection — Single flange Type .....	DS300 series..... 34
Flange Connection — Extended diaphragm Type.....	DS320 series..... 35
Sanitary Connection — Homogenizer Flange Type.....	DS350 series..... 36
Sanitary Connection — Probe Seal Type .....	DS360 series..... 37
Sanitary Connection — Threaded Coupling Type .....	DS400 series..... 38
Sanitary Connection — Tri-Clamp Type.....	DS500 series..... 40
PP All-in-one Housing.....	DS800 series..... 41
Fluorocarbon Resin.....	DS850 series..... 42
High Temperature and Pressure Type .....	DS910 & DS920 series ..... 43
<b>SWITCHES</b>	
Simple Pressure Switches .....	P series ..... 44
Simple Differential Pressure Switches.....	FSD series ..... 47
Digital LCD Pressure Switch.....	DPS series ..... 49
<b>ELECTRICAL CONTACTS</b>	
Sliding Type and Magnetic snap-action Type .....	ECS & ECM series..... 50
Inductive Type.....	ECI series..... 53
<b>ACCESSORIES FOR PRESSURE GAUGES.....</b>	<b>55</b>
<b>CONVERSION OF PRESSURE UNITS.....</b>	<b>56</b>
